

2017 Wisconsin AHEC Program Announcement

Wisconsin Express

Spring Break: March 19-24, 2017

UW-Madison students in the Global Health certificate Program may enroll for Spring 2017 academic credit.

Wisconsin Express is an interprofessional cultural immersion experience designed to give health professions students an opportunity to study firsthand the diverse local and regional healthcare innovations and challenges in one of Wisconsin's urban or rural communities.

Multidisciplinary groups of 6-12 students stay overnight in a community to explore the region's cultural diversity and healthcare, developing strategies for intercultural and interprofessional effectiveness in healthcare practice. Throughout the week, participants reflect on and evaluate their experiences.

Spring Break 2017 Community Sites:

- **Beloit – women's health focus**
- **Ladysmith – Somali refugee focus**
- **Minocqua – Native American focus**

Activities vary by site and include:

- Experiential and interactive learning in groups
- Participation in community activities
- Access to healthcare organizations behind the scenes
- Conversations about life in the community and region
- Interactions with practitioners in primary and public healthcare

Program Fee: \$210
