Wisconsin Express 2015
Community Experiences for Health Professions Students
May 17-21, 2015
Green Bay Site

Notes: We will travel in a UW Van throughout the week. We will have dinner together Sunday and/or Monday (we can discuss this Sunday). You will have free time the evenings of Tuesday, Wednesday, and will wrap up the week Thursday 4:00.

Sunday May 17th
12:00 PM

Meet at the **Country Inn and Suites by Carlson Hotel** located at **2945 Allied St., Green Bay, WI 54304**. The local phone number is **920-336-6600**. This hotel is located just off of Oneida St. in Green Bay. I chose it for its proximity to the highway and local restaurants and other attractions. It has an excellent pool area so be sure to pack your swim suit.

You will share a room (with another participant) with 2 double beds for the week. We will not be able to check in until we complete the days' activities, therefore, we will leave luggage etc. in your vehicles. If someone is getting dropped off, we will make arrangements for storing your luggage.

The hotel offers a continental breakfast so we will plan to eat breakfast at the hotel each day.
