What is the *Wisconsin AHEC*

Interprofessional Case Competition?

This **healthcare-centric** interprofessional case competition is an annual event that brings together interdisciplinary teams of health professions students, across multiple professional schools and programs, to develop and present a proposed solution to a healthcare challenge - all while in a creative and fun networking environment.

Who can apply to this competition?

This event is open to college students in Wisconsin, who are **currently pursuing health professions**. This includes **students from any degree or discipline, such as technical, undergraduate, and graduate students**. You can either apply as a **team**, or **individually**.

Don't have a team? No problem! Register as an individual, and WI AHEC will place you on a team with other registered individuals!

\$3,000 Grand Prize!!

More Answers to FAQs

- Teams consist of 4 to 5 students, from at least 3 different degree backgrounds.
- Teams may choose which AHEC Region to represent.
- Each team member will pay a \$35.00 registration fee (financial assistance available).
