

# 2021 Wisconsin Express Application

Wisconsin Express is a one-week cultural immersion experience designed to give health professions students an opportunity to study firsthand the diverse local and regional healthcare innovations and challenges in Wisconsin communities. We are offering 14 WI Express program opportunities throughout winter, spring, and summer breaks during the 2020 – 21 year.

The application will need to be completed in a single setting as there is no "save as you go" option. Please allow yourself 30 minutes to complete the application. A copy of the application can be found at <https://ahec.wisc.edu/ahec-for-students/wisconsin-express/>.

IMPORTANT NOTE: This application is for non AHEC Scholars. If you are an AHEC Scholar, please refer to the application posted in Canvas.

Please direct all questions to Brittany Thompson, Wisconsin Express Coordinator:  
[ahec@ahec.wisc.edu](mailto:ahec@ahec.wisc.edu), (608) 487-3838

## Demographic Data

### Demographic Data

The following information collected in this section is used for annual reporting to the Health Resources & Services Administration (HRSA), an agency of the US Department of Health and Human Services. HRSA is the primary federal agency for improving health care to people who are geographically isolated, economically or medically vulnerable. WI AHEC receives funding from HRSA to support our Scholars program.

Please note that the following data fields and their choices are provided to us from HRSA. Our reporting to HRSA does not include any personal identifying information so your name, addresses, contact information will remain confidential.

Additionally, while we request this information as part of your application to our Scholars program your responses in this section are not considered in our selection process and we do not discriminate on the basis of age, gender identity or expression, race, or ethnic identity.

Rural Area: The following question will help us determine whether you currently live OR have ever lived in a rural area. HRSA defines a rural area as a geographical area located in a non-metropolitan county or an area located in a metropolitan county designated by the Federal Office or Rural Health Policy as being considered rural. We'll use your responses below to verify whether or not you've ever lived in a rural area. Do you currently live or have you ever lived in a rural area? \*

- ☐ No
- ☐ Yes
- ☐ Maybe

Disadvantage Background: The following question will help us determine whether you come from a disadvantaged background based on the HRSA definition below: Disadvantaged Background- refers to a citizen, national, or a lawful permanent resident of the United States, the Commonwealths of Puerto Rico or the Marianas Islands, the US Virgin Islands, Guam, American Samoa, the Trust Territory of the Pacific Islands, the Republic of Palau, the Republic of the Marshall Islands, or the Federated State of Micronesia who is: Environmentally Disadvantaged- an individual's environment inhibited him/her from obtaining the knowledge, skills, and abilities required to enroll in and graduate from a health professions school. AND/OR Economically Disadvantaged- an individual from a family with an annual income below a level based on low-income thresholds (see chart here: <https://aspe.hhs.gov/poverty-guidelines>) AND/OR Educationally Disadvantaged- an individual who comes from a social, cultural, or educational environment that has demonstrably and directly inhibited the individual from obtaining the knowledge, skills, and abilities necessary to develop and participate in a health professions education or training program. Based on the definition provided above, do you identify as coming from a disadvantaged background? \*

- ☐ Yes
- ☐ No
