Intern Position Type & Requirements

Next we'd like to learn more about the intern position you have in mind.

21. Rate Intern Position Types *

We have a variety of intern positions available this year to better meet the needs of our host sites and student interns. Please rate each intern position option based on your preference. All options fall in the same 8-week period, June 3 - July 26, 2024. All interns are required to attend AHEC seminars that cover such topics as social determinants of health, community engagement, and cultural humility. These are scheduled at the same time each week and hosted by AHEC staff. Mentors will receive a schedule of these in advance.

Check all that apply.

	Most preferred	Would consider	Not under consideration
Full-time (38 work hours + 2 AHEC seminar hours each week)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Half-time (20 work hours + 2 AHEC seminar hours each week)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

22. Host Site Participant Fee *

We look to our host site partners to help offset intern costs, affording more students to participate and more host sites to benefit. The host site participant fee for each position type is as follows:

- \$4,800 = Full-time intern position (38 work hours + 2 AHEC seminar hours each week)
- \$3,600 = 3/4-time intern position (30 work hours + 2 AHEC seminar hours each week)
- \$2,400 = Half-time (20 work hours + 2 AHEC seminar hours each week)
- \$1,200 = Quarter-time (10 work hours + 2 AHEC seminar hours each week)

How much funding can your organization provide to support your Most Preferred Intern Position Type selected in the previous question?

23. What format is required for this internship? *

Mark only one oval.

- In-person only
- Virtual only
- Hybrid (some in-person hours, some virtual hours)

24. Intern Title *

Having a specific intern title will enhance a CHIP student's resume.

Examples could include but are not limited to: Research Assistant, Outreach Coordinator, Project Specialist, Health Educator, Environmental Assistant, Data Specialist, etc.

25. Desired level of intern skills and experiences. Beginner = no experience, yet to develop * or not needed; Emerging = basic understanding and application; Proficient = clear understanding and application; Advanced = in-depth understanding and application

Check all that apply.

26. Please list and describe any other skills or experiences you're looking for not included in the above. This is a good spot to list any specific software expertise used by your organization (e.g. Excel, Powerpoint, Canva, Adobe, SPSS, etc.).

27. Does the intern need experience working with or serving any special populations (e.g. youth, aging, minority, etc.)? Please explain below.

28. Does the intern require any specific language skills? Please describe and be as specific as possible (e.g. fluency level, read/write/speak, etc.).

29. Does the intern require any of the following? *

Check all that apply.

	REQUIRED	Maybe - might be helpful	Not needed
Valid drivers license	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Access to their own vehicle	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Access to their own laptop or computer	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Access to reliable internet connection	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

30. Does your site require any additional requirements for volunteers that our CHIP intern would need to adhere to?

Examples may include specific vaccinations, background checks, trainings, etc.

31. Are you able to offer any housing assistance to the intern? Please explain below.

Wisconsin AHEC does not have the funds to offer housing stipends, so we prioritize student placements based on housing students already have available. Any housing assistance from the host sites may help facilitate student placement; ie: can offer additional funds, willing to help student find affordable housing options near host sites, host site already has existing housing arrangements, etc.

Project/s Work

Lastly, we'd like to know about the project/s you have in mind for the intern/s.

Please use the space below to tell us about the expected project/s the CHIP intern/s will work on. It is important for students to have at least one project they are responsible for, we'll refer to this as the main project, so they have a product or deliverable at the end of their internship.

An example of a great main project description from a 2021 CHIP host site:

This is an exciting opportunity for students to gain experience working in the community setting! Students will gain an understanding of the role hospitals play in addressing community health needs, while working alongside Froedtert Health's Community Engagement Team. The intern will support efforts surrounding Froedtert Hospital's Community Health Improvement Plan (CHIP) focusing on Milwaukee County. Current priority areas include access to care, chronic disease, violence and behavioral health. Based on prior experiences, goals and interests, the intern will focus on one or more areas of the CHIP to draw connections between existing initiatives and CHIP priorities, and identify opportunities to expand programming and/or develop new and innovative programs.

As part of the Community Engagement Team, the intern will also:

- Collaborate with key stakeholders on behalf of an academic medical center*
- Participate in addressing identified health needs in the community*
- Coordinate Froedtert Health's participation in community events, and attend when available (dependent on COVID-19 pandemic)*
- Support the triannual community health needs assessment process.*

32. Please describe the main project the CHIP intern will be responsible for. *

33. Please describe the anticipated deliverable for that main project. *

Ex: Health education fact sheets, outreach toolkit, community impact report, etc.

34. Please confirm that your host site will commit to providing job shadowing opportunities to your CHIP intern. *

Check all that apply.

Yes

35. Please list the types of roles the CHIP intern can shadow at your organization or with a community partner: *

36. CHIP interns are generally very efficient, and it's important to have other projects and/or tasks prepared for them to work on over the 8-week period. What other projects and/or tasks will the CHIP intern engage in at your host site? *

37. If available, would you be interested in taking more than 1 student intern for this main project? Please note, this would be for the same main project. If you have another main project you need to fill out a second proposal form. *

Mark only one oval.

Yes

No

38. If you checked "yes" above, how many additional interns could work on this main project?

Anything else?

39. Please use the space below to tell us anything else about your organization, intern position and/or project not captured in the previous questions.
